

DISTRICT 33K ANNUAL CLUB LEADERSHIP TRAINING WORKSHOPS

Time to gear up for the new Lions year! The annual **club officers' training** is fast approaching. It will help prepare incoming presidents, secretaries, treasurers, membership chairs, and tail twisters for their duties next year. The sessions are also for those who might be thinking about taking a position in future years and would just like to know what the requirements are. Vice-presidents, in particular, are welcome to attend any of the training segments.

Note that the session for **tail twister** is something we have not done in a long time. Come to learn the ropes and hear some ideas from other clubs. Talk about what works and what doesn't.

Membership and retention are both very important areas for every club. Send your membership chair or interested club members to learn better ways to add quality, informed members to your club -- and retain them.

The sessions are basically half-a-day long ending with lunch and a roundtable session. New officers will have a chance to hear from our incoming District Governor. **NOTE: NEW PERKINS LOCATION! See map.**

WHO: Incoming club presidents, secretaries, treasurers, membership chairs, tail twisters, and all Lions who want to learn what is expected of a club officer or who have an interest in membership.

We are especially seeking experienced presidents, secretaries, treasurers, tail twisters and any Lion willing to share knowledge. Come attend and share your experience!

WHEN: Saturday, May 17TH, 2008, 8:00 AM to 1:30 PM.

WHERE: Perkins School for the Blind, 175 North Beacon Street, Watertown, MA. 02472 See map and directions.
NOTE: New location at Perkins. Check the map!

WHY: To enhance club leadership skills

HOW: Through interactive workshops with experienced District leaders

COST: \$15 for each attendee -- Includes handout material, continental breakfast, coffee break, and lunch
Make checks payable to District 33K – Leadership Development
